

March 25, 2025

Dear Hon. Judge Carluccio, President Judge,

This letter pertains to the very long letter I sent to you on February 13, 2025 and the 2 previous very long letters I sent to you (that you never responded to) of the massive guardian fraud on my now dead Mother, Jane Herring (age 99), and of your very brief reply on February 24 2025 to my letter of February 13 2025. I have not heard from you since your extremely brief reply of February 24, either by phone, email or letter, where you stated "the matter will be taken under advisement".

As I had stated in my 3 previous very long letters to you, Mother was a victim of massive scam by a guardian mafia ONLY for her vast financial assets, NOT because she needed any type of guardian protection. As you also see, by the enclosed articles about Gloria Byers, guardianship scams are major crimes and are taken extremely seriously by the IRS, DA, FBI, DOJ AND by the families of those victims.

Mother was killed/murdered, at age 99, by the guardian mafia, with morphine. Mother died unconscious, alone, in her tiny bed, in the low rated nursing home of 3 years. There was NO reason for Mother to have been kidnapped from her house by her daughter and first guardian of person and estate, logie on August 25 2021 to be later imprisoned in that so-called nursing home. Mother had just had her 96th birthday. There was NO court order by weilheimer for that kidnapping. Weilheimer's appointed lawyer to Mother, jaskowiak, NEVER demanded she go back home. WHY? Mother was kept in lockdown in that nursing home, in solitary confinement for 3 years and in a sensory deprived environment. While kept unconscious with morphine by this guardian mafia, Mother was in extreme agony suffering from starvation and dehydration, but could not say a word because she was unconscious. Mother died a very long, barbaric and inhumane death that no human or animal should be forced to go through. This mafia NEVER gave Mother hospice and any last wishes she would want. WHY? The mafia refused to let me see Mother for the last 8 months of her life. I was only allowed to be with Mother for 1 lousy hour, watched by 3 people for unknown reasons about 12 hours before Mother finally died. She looked as if she had lost a lot of weight and her hair felt like straw, as if it had not been washed for months. The guardian mafia only thought Mother was their private bank account to steal. To the guardian mafia, Mother was NOT a human being.

This guardian mafia consisted of 2 corrupt judges (weilheimer, sterling), jaskowiak (assigned lawyer to Mother by weilheimer only 2 days after Mother's daughter, jsh, filed her(jsh) petition to own Mother just for Mother assets, but Mother had vast assets to hire her own lawyer she could trust), first guardian of person and estate logie (good friends with jaskowiak), lawyer zabowski (hired by logie), 2nd guardian of person pam blumer (who lied about being a certified guardian in court, she immediately hired her husband/lawyer bill, who is good friends with jaskowiak and then bill hired many lawyers in his law firm), 2nd guardian of estate ronald fenstermacher (admitted in court he had not seen or talked to Mother, his client, for 4 years, including the last 2 years of Mother's life his as Mother's guardian of estate, fenstermacher said in court he thought his only job was to sign checks as guardian of estate for the mafia and not worry about waste and fraud by the others, fenstermacher gave away many hundreds of thousands of dollars of Mother's money through fraud and gross neglect, including keeping Mother in that nursing home at about \$90,000 a year when the court accepted cost of Mother living at home was only \$16,500 a year), final guardian of person cynthia ellis (hired by jaskowiak and never was certified as a guardian and was never a guardian to anyone), my sister jsh who was deeply involved in the mafia, a so-called "care manager" klock (she has a long history of stealing and over

drugging her victims), "monitors" (friends of pam blumer and they were told to write lies in their reports about what my Mother and I said while being "watched" by them during our occasional, very brief, 1 hour visits with Mother) and the quack psychologist, ledakis, weilheimer hired to "determine" if Mother was "incapacitated".

Because I had spent all of my money for a lawyer, who I had to fire for gross incompetence, I had to be pro se at the petition hearing and for most of the 3 years of this guardian scam. I did not have any time to find a psychologist of my own to "evaluate" Mother. But, I was the best person to testify about Mother and any problems because after my father died in 2013, I was with my Mother every day for about 6 hours, including for dinner and with her when she was driving her car up until Mother became "owned". Weilheimer ONLY based her decision that Mother was "incapacitated" on the claimed "evaluation" that was done by ledakis, who had his PhD only for a year and was NEVER a member of the American Psychological Association and NEVER a member of the Pennsylvania Psychological Association. I got ledakis to admit in court he had NO independent proof of accuracy for any of the "tests" he claimed he gave Mother in private and he had NO independent proof of accuracy for his "evaluation" of Mother. I also got ledakis to admit at the petition hearing that he never audio or video recorded his sessions with people. Using cut and paste of one name for another, ledakis's same report could be used for 100 or 1,000 other people. Despite all of that gross incompetence (fraud) by ledakis, weilheimer took his "word" of his results and hired him many more times and always accepted ledakis's results as "facts" to deny me normal time with Mother, including taking her out into society. Ledakis admitted he had NO proof he ever gave any "evaluation" to Mother because he (ledakis) never audio or video taped his sessions with anybody. Weilheimer used ledakis many times because he always said what the mafia wanted him to say so they would keep rehiring him for money. ALL of those people billed my Mother with their massive billing hours (including "travel time") even though most of those people were the responsibility of the guardians to pay as part of their business, NOT billing Mother.

Where was jaskowiak all of this time for Mother's benefit? Jaskowiak's job and responsibility, as Mother's lawyer, was to protect and defend Mother. Jaskowiak knew guardianship laws and rules extremely well. In October 2019, jaskowiak was on a 3 person panel, for 3 hours about guardianship laws and rules for lawyers. I saw that video many times. According to the PA Rules of Conduct for lawyers, jaskowiak was supposed to keep in constant contact with his client: Mother. BUT jaskowiak only saw Mother 2 times, in 3 YEARS. Jaskowiak was constantly filing and replying to petitions on Mother's behalf, but ALWAYS against me, against Mother's benefit, but always FOR the financial benefit to him and the guardian mafia. HOW could jaskowiak file any petitions if he NEVER talked to or saw Mother and asked HER what SHE wanted? Weilheimer ordered me not to discuss the guardian scam with Mother so Mother could not exercise her rights of what she wanted or did not want just to protect the mafia's money grab on Mother. Mother, even as a supposed "incapacitated" person, had federal and state rights and had many Pennsylvania rules to protect her from abuse and neglect.

In August 2023, weilheimer, jaskowiak and fenstermacher evicted me from my Mother's house where I had been living for 2 years (with Mother wanting me to live there in writing) WITHOUT ever asking Mother if she wanted me evicted. Weilheimer then ordered me never to tell Mother I was evicted. I was forced on to welfare 2 years ago and had to live in my car because of all of the money I have spent for lawyer costs and other costs trying to help Mother get out of the scam and back home. In 2021 and 2022 Weilheimer and jaskowiak put me into prison 4 times for exposing the guardianship fraud on Mother on my news website. Jaskowiak also threatened me with prison 2 different times because I had set up a Go Fund Me account to raise money to pay my lawyer fees. Jaskowiak claimed it was invading Mother's right to privacy, but I never mentioned Mother's name in it. But, jaskowiak, weilheimer or anybody in the mafia ever asked Mother what SHE wanted. WHY? Jaskowiak and Mother's guardian of person, pam blumer, NEVER asked Mother if she

(Mother) wanted me to go to prison. Mother had given me permission, which she had that right, even so called "incapacitated", to disclose all such information about her and the scam.

Such massive waste by the guardians, their lawyers, the nursing home, a "care manager", "monitors", etc, caused Mother to lose many, many hundreds of thousands of dollars. Mother had less privileges than a POW under the Geneva Convention and less privileges than a any person in prison. WHY? That massive waste of Mother's money and the barbaric and inhumane conditions Mother was forced to exist was allowed by guardian of estate fenstermacher for the last 2 years of Mother's ownership by the mafia until Mother was killed by them.

On August 25 2021, Mother was kidnapped by jsh and first guardian logie. NO court order was ever given by weilheimer and no one has ever admitted who ordered the kidnapping and most important: Why?. Jaskowiak NEVER demanded Mother (his client) go back home. Why? Mother NEVER was accused of having any mental or behavior problems where she would be a menace or danger to herself or others and had to be kept in solitary confinement until she died. About 2022, I sent all of the guardians, lawyers and jaskowiak a email asking who ordered the kidnapping of Mother from her house on August 25 2021, since there was never a order by weilheimer to do so? None of them, including jaskowiak, ever replied. Why? I NOBODY ever called in Mother's primary doctor of 21 years, who Mother saw 4 times a year, to testify about Mother's health, including her mental health. Why? After being kidnapped by jsh, Mother was forced to stay in jsh's house, drugged, denied to leave, denied to use the phone, refused to let Mother see or talk to me and starved. After about 12 days, Mother became unconscious, had to be taken to the hospital, by ambulance, confined to bed for 6 weeks, treated for starvation, got daily blood tests (42 times), daily needles in her stomach (42 times) and got covid where she could have died. Logie/jsh then dumped Mother into that low rated nursing home that had just opened up after many months from a major covid shutdown. Later, Mother got covid again and a major case of influenza where she could have died. According to studies, about 39% of the people that died of covid, died in nursing homes.

Guardianship corruption has been nationwide for decades. Visits of families with their loved ones are used by guardians as a weapon against those who criticize the guardian's treatment of their loved ones in any way. The guardian makes up lies about a family member to use against them to restrict/deny visits. Their tactic is called "demonizing". This guardian mafia used that tactic against me for exposing their corruption and indifference to the health, welfare and happiness of my Mother. BUT, no body in the mafia ever wanted to prove their claims against me in court. WHY? When I filed a petition for them to prove their lies in September 2023, all of the lawyers, including jaskowiak, begged the second judge, sterling, to deny my petition. Sterling did what they wanted. As you recall, weilheimer lied in her letter to me in June 2023 (posted on my news website) about her having my email blocked only to her office by the county IT person olivieri. But, in fact she had olivieri block my email to all county agencies, a criminal act, including sheriff, DA, county commissioners that I was using to help my Mother go back home and out of this guardianship scam. In late 2023, I filed an emergency petition for sterling to unblock my email that weilheimer had blocked. Sterling denied my petition and said there was no emergency to do so. WHAT? About a month ago, I filed a form to have a copy of court documents from April 2024 to present. I was not able to get them because weilheimer had blocked my access to see my documents while Mother was alive and I always had to go to the courthouse to get a copy on a thumb drive. I was in prison in April by jaskowiak for legally protesting, on a public sidewalk, in front of his house and then Mother was killed on July 2 2024 and all of the problems after that with fenstermacher. Fenstermacher was also Executor of the Will and my Trustee. Fenstermacher has done everything he can to deny me what my Mother had wanted me to have because I had exposed his involvement in the guardian mafia. So far, sterling has not replied to my request. WHY? Documents, orders,

emails and pictures do not lie. People lie. My news website facts.

has those documented

Keep in mind, the petition for guardianship for both person and estate by jsh had NO, repeat NO documented facts that my Mother needed any guardianship. NO mention of any mental or behavior problems, NO neglected health problems, NO unpaid taxes, NO unpaid bills, NO bounced checks, NO checks written in bizaar amounts or to strangers. Mother's massive 3 bed room, 3 bath house in a gated community valued at \$500,000 was paid off 21 years earlier after the house was built. Mother and I cleaned her house weekly, Mother washed her own clothes and showered every night. Mother did NOT use a cane, NO dentures, NO diapers. Mother was still driving her car safely at age 96 when jsh filed her petition 2 days after Mother's 96th birthday. Jsh NEVER brought in any of the people Mother dealt with every year (doctors, investment people, tax people) to testify to prove Mother ever needed any guardians. I got jsh to admit in court she NEVER discussed guardianship with Mother because jsh did not think discussing something as drastic as taking over Mother's life, assets and freedom was that important. Jaskowiak should have demanded jsh's petition be thrown out because it did not have any proof for Mother to have any guardians, but jaskowiak never did. Jaskowiak wanted Mother to be guardianized for the mafia. Jaskowiak refused to let Mother come to court during the petition hearing or ever to speak for herself so Mother could say what she wanted and did not want. Mother wrote a letter in about Spring 2022 to weilheimer. Weilheimer refused Mother's letter as being real because weilheimer hired ledakis again and he claimed Mother could not have written the letter. Why didn't weilheimer, jaskowiak or fenstermacher ASK Mother what she wanted or did not want? As part of this mafia, ledakis wanted to make as much money as possible by saying what the mafia wanted him to say for Mother's assets.

Weilheimer, guardians, klock and jaskowiak denied Mother federal laws, state laws and many rules for those declared "incapacitated" for Mother's health, welfare and happiness. ALL of the lawyers involved violated the Rules of Conduct for lawyers for Mother. Those Rules, federal and state laws are posted on my news website

There has been a very long and documented cancer in orphans court that has destroyed many, many lives of victims and their families involving corrupt judges, lawyers, guardians and others. For example, Facebook has a site called Shenanigans in the Montgomery County Court that has been up for almost 25 years. My other news website is that also has many links, articles and videos about guardian corruption. I included in this packet the article about Gloria Byers, a guardian who stole about \$1.5 million from her 105 victims (clients) and was found guilty. Guardianship corruption is a crime. You Tube has thousands of videos from news media and families about guardian corruption to them. DA steele has refused to open any cases of guardian corruption, including mine and many, many others who went to him. I also included in this packet my previous letters I sent you and your recent brief response.

WHY DID THE MAFIA KILL MOTHER? I and my previous lawyer were always denied the medical records and those at the nursing home on Mother. WHY? There were many reported injuries to Mother. My many, many emails posted on to all of those in the mafia prove the many problems affecting Mother's life, health and happiness that nobody in the mafia ever corrected. WHY? ANSWER: Mother was only a bank account to the mafia, NOT a human being.

From August 25 2021 when Mother was kidnapped by jsh and logie to when Mother was killed/died from morphine by the mafia on July 2 2025, based on 16 hour days (8 hours for sleeping), out of a possible 24,700 hours Mother and I could have been together, this guardian mafia only allowed us 224 hours.

Was this a guardianship or OWNERSHIP? WHY was Mother ever guardianized when NOBODY ever cited any example or examples of anything Mother did wrong to be guardianized?

My question to you is: What are YOU going to do about it?

Sincerely,

Rev. Arthur Herring III
