

April 22, 2025

Judge Sterling,

On March 11 2025, I sent you a letter (copy enclosed) about wanting to get documents of my Mother's case (Jane herring 2021-x2110), starting with April 1 2024 to present. Due to various matters at the time, including the barbaric and inhumane killing of my Mother by the guardian mafia, being put in prison for protesting on a public sidewalk, judge weilheimer blocking my access to them in the court docket in about mid 2023 and she also had the county IT person, Olivieri, block my email to all county agencies, including sheriff, DA and county commissioners, I was not able to get them.

While in the Register of Wills on February 20 2025, I was told by your assistant, bookler, to fill out a form to get them and the form had to be approved by you. I have not received any answer from you or her.

I am asking again for an answer so I can get those documents.
