

FBI LETTER OF 4 10 25

In October 2021, I had met with Pacchioli about the guardian scam on my Mother, Jane Herring, at his Ft. Washington office. He claimed it was only a civil matter, not a criminal one. He refused to open a criminal investigation on Mother and on any of the other cases of guardian corruption.

On April 10 2025, I sent another letter to Agent Pacchioli of the Ft. Washington office of the FBI about the barbaric death and looting of my Mother, Jane Herring, by the guardian mafia. I included a copy of the Gloria Byers case and that the FBI had prosecuted her for stealing from her victims as a guardian, proving those crimes are criminal. Pacchioli never contacted me.

On April 22 2025, I met Pacchioli, again at his office. This time I far more documents proving it was a scam and the guardian mafia killed Mother. I had sent him a letter. He refused to open an investigation. He again threatened to call the Upper Dublin police and have me arrested for trespassing if I came there again. I went to the Upper Dublin police to explain the situation if they ever came to arrest me. Nobody came to talk to me after 30 minutes, so I left.

I am attaching the green card to prove the FBI received my letter.
